e-house brings you the most exciting discount offer!

List your house for \$4,995 listing commission

Good morning,

Our company offers full service real estate in the Orange County, Los Angeles Area for a flat listing fee of \$4995. This means you are saving thousands on the listing commission. What's better than that? If eHouse Realty sells your home as well, then it will be an additional \$4,995 which is under \$10,000 for the sale of your house!

If this is confusing, feel free to call us for more details. We recently sold a house in Buena Park in which the seller paid \$9,990 total commission as we also sold it. This gives the seller more negotiating power and more \$ in their pockets!
